SUMMARY

Driving exponential revenue scale-up through hands-on leadership and high-impact marketing execution

20+ years of experience spearheading hyper-growth and digital transformation across E-commerce and tech ecosystems

Deep operational command over Digital Marketing, Marketing Tech, Advanced Data Analytics, and Strategic AI Innovation

CAREER HIGHLIGHTS

- **Korea eCommerce Pioneer** Architected and scaled eCommerce and digital marketing ecosystems since 2005, establishing market-leading standards
- **Global Leadership** Orchestrated global expansion, managed multi-billion-dollar investments in marketing and platforms across 100 countries
- **360° Business Synergy** Unique dual-perspective across global brands and marketplaces. Delivered explosive market entry and growth for leading FMCG brands such as L'Oréal, P&G, and AmorePacific by architecting eCommerce standards and digital marketing success equations

PROFESSIONAL EXPERIENCE

SAMSUNG | Korea

Vice President, Global Marketing, Advisor | 2026 – present

Vice President, Global Marketing Innovation | 2025

- Media Investment Optimization: Diagnosed billion-dollar marketing campaigns and analytics to develop optimization frameworks across digital media Google, Meta, etc.
- Redefined data-driven marketing frameworks and global KPIs to standardize high-level decision-making, optimizing channel investments and global marketing performance

Vice President, Group head, Dotcom Experience Group | Jun 2022 – Dec 2024

- Drove significant DTC revenue growth through a global revamp of Samsung.com across 70+ countries, elevating customer engagement and conversion rates via data-led UX and streamlined eCommerce operations
- Pioneered RPA and AI automation to re-engineer complex global workflows, significantly maximizing operational agility and cost-efficiency

LAZADA | Singapore

Chief Marketing Officer (CMO) | Nov 2020 – May 2022

- Held full P&L accountability for user acquisition, retention, advertisement sales and brand equity for SEA's leading e-commerce platform in Singapore
- Executed large-scale marketing campaigns (e.g., 11.11), driving record-breaking traffic and GMV growth
- Implemented advanced data-driven marketing strategies to ensure optimized ROI on marketing investments while supporting aggressive growth targets

LEVI STRAUSS & CO. | Singapore

APAC Head, eCommerce Platform & User Experience | Dec 2016 – Nov 2020

- APAC Scaling: Drove **5x** eCommerce revenue growth by successfully launching and scaling the global DTC business across major APAC markets (Korea, China, Japan, India etc.)
- Optimized digital marketing and platform performance across the region
- Oversaw complex cross-border operations, optimizing logistics and ensuring compliance with diverse local regulations in APAC to improve customer experience and reduce costs

ENSOGO | Singapore

Chief Product Officer & Vice President Marketing | Aug 2015 – Sep 2016

- Re-engineered the entire eCommerce ecosystem with a focus on scalability and mobile UX
- Led a rapid strategic revenue and profit turnaround by overhauling marketing KPIs

Qoo10 (eBay) | Korea, Singapore

Head of Marketing, Mobile and Operation | May 2010 – Aug 2015

- Drove 4x revenue growth by leading in-house marketing COE, establishing the platform as a market leader
- Led strategic collaborations partnered with global giants (P&G, Unilever, L'Oréal) to lead their digital transformation; notably increased Pampers' revenue by 100x

Nemo partners | Korea | **Strategy Consultant** | 2008 – 2010

GMARKET (eBay) | Korea | **Product Manager, business development** | 2006 – 2008
